1. This is the covenant I will make with you; this is the promise that I will give; this is for Mine and thine and thine forevermore: I will come upon you and My light will shine, My light will shine in you and through you, and through My light towers I now raise up; My promised ones partake of My promise. My priesthood comes, **My priesthood of all believers** who now no longer fear Me and stay at a distance; but who fear Me and come to My throne, who operate at My table, who share Me with Mine and let Me come through each other to each other, all in fullness of glory shown, glory shared, glory upon glory, bringing manifest maturity in Me. I love you. I give you My confidence, for confidence I am, and confidence I want in My matured ones who love Me and who come before Me now with thanksgiving and praise. The elements of joy, the sacrifice, the sacrifices, the elements, the sacraments of Me, serving Me to Me, to My Mine: glory, laughter, joy, peace, goodwill, righteousness, holiness, without which no one will see Me (1), without which no one can see the words of My truth or the truth in My words, the truth in these words that are going forth to Me, to you, to yours, to Mine who will receive and operate in this day. I love you. I give you this covenant, I give you Me, I give you Mine, I give you My word.

2. I trusted you mightily, candidly, with candor, with seriousness, with **foundationing and promises now which build and come and priesthood arises; My priesthood after Me, My priesthood in fullness, My priesthood which priesthood makes**, lifts, breathes, believes in Me, sacrificing for each other, to each other, with each other the sacrifices of praise. I love you. **The sacrifice of praise on your lips, the sacrifice of smiles, of joys, monocular vision for only Me.** I love you and I give you Me.

3. I have given you people to help raise up My priesthood of all believers; My priesthood of all believers who I now raise up, who I now come to, who I call, who I counsel, who I conform to My image increasingly; giving them My peace, My power, My authority, My place, as they walk Me upon My earth in circumstances many and varied, in vocations all. Now they come and walk Me, empowering Me, empowered by Me, being Me in halls of power and prowess as well as places of dirt floors and poverty-strickened ones who poverty seek to live in no more.

4. **Poverty of spirit eradication comes through My priesthood of all believers, presumptuous ones none, just being Me.** Simplicity of My refined ones who accept My words, who listen to My voice, who walk forward in only Me. I love you.

5. I give you Me and I go forth in joy and laughter and praise glorifying My Father, glorifying you, glorifying My freed ones who now glorify Me in praise and joy and laughter; **the fruit of their lips creating, creating, creating what I show t**hem, creating

what I share with them, **creating from the images that I screen onto them now.** I love you. I give you Me. I give you monocular vision to see Me and not be swayed or side-swiped or shorn or shaven in any way not of Me. I love you.

6. I come and I call and I conquer and I help focus your time to produce results of only Me. My priesthood comes forth; My priesthood, My priesthood of all believers, My priesthood of monocular'd vision, monocular vision'd ones who come and focus on only Me and look not to the right or left nor political correctness, but into Me see to walk on the waters of adversity; Admirals now training up My seafaring ones, My airfaring ones, My who will walk with Me and **fly**, **My leadership of leadership to leadership make comes forth**. Consequently intertwined with only Me, consequences of only Me. I love you.

7. I give you Me and I robe now My priesthood who comes before Me in joy and laughter. Who comes before Me with power, with grace, who comes before Me in humility, humility chosen, humility resumed; **humility price paid: time, effort, death;** to have life and walk in My abundance, freed, freedom'd, freeing My priesthood.

8. **What is on My mind this day? My priesthood of all believers, My lambs, My little ones, My young, My youth, My leaders spanning centuries forfeiting Me not, forfeiting Me no longer, forfeiting not the position to which I called them long ago**. I love you. Arise, eat of Me, eat in Me, and drink of Me more. I love you.

9. So many come, so many come from so far, so far I take you, so far have I brought you, so far are you going. Travel in only Me. Eat with Me at My table, My table, more at My table. I love you.

10. Time comes and time goes. I am time and I give you Me. I give you time; and tempestuous matters that seem tumultuous and side-swaying, potentially devastating, concerned be not. I love you.

11. My way, My time, My focus, My eyes looking into your eyes; My heart seeking, searching out the depths of your heart; the inner man the outer man; becoming Me increasingly as you seek Me and search the inner parts of Me, the outer parts of Me, visible coming, demonstrably rated by only Me. I love you.

12. I govern My priesthood of all believers with such tenderness, so sensitively, so caringly, so carefully, with such love. I love the work of My hands and those who now stand, come before Me in purity, I arise into the fullness of the joy of **My design, My priesthood of all believers**. See Me. Thank you. Thank you for believing Me, being Me and letting Me be Me through you. I love you.

Amen.
